In preparing these Results I have been guided by our Judge In Charge, who has drawn to my attention Rule 304 (k), and Rule 400. These make it clear that despite the alteration to Rule 405 (b) (iii), where more than one Round of the same type is shot in one day, only the first score may compete in a Single Round Competition, which this is.

means second round

Thank you to our three Judges, who kept us on the right track

Thank you to Mavis Reynolds, our gracious Lady Paramount

A big Thank You to the ten Members who turned up early on Sunday morning to set up and get everything ready on time!

I hope everyone enjoyed their day`s shooting, and we look forward to seeing you again next year.

Edward Kain, Tournament Organiser.
